

NOTICE OF A RATE HEARING

Hydro Hawkesbury Inc. has applied to increase its electricity distribution rates effective January 1, 2027

Hydro Hawkesbury Inc. (Hydro Hawkesbury) has applied to the Ontario Energy Board (OEB) to increase its electricity distribution rates effective January 1, 2027.

The requested rate adjustment is determined using an OEB-approved formula, which is tied to inflation and other factors intended to promote efficiency. If the application is approved as filed, a typical residential customer and a typical general service customer of Hydro Hawkesbury would see the following increase:

Customer Class	Monthly Rate
Residential (750 kWh)	\$0.70 per month
General Service less than 50 kW (2,000 kWh)	\$1.23 per month

Other customers, including businesses, will also be affected. It's important to review the application carefully to determine whether you may be affected by the proposed changes.

Hydro Hawkesbury states that its 2025 earnings were in excess of the threshold set by the OEB. The OEB will review Hydro Hawkesbury's increase in the context of its reported over earnings.
